

# school tools

Dear Parent/Guardian,

On behalf of Staples and your school, we are pleased to advise you that Staples School Tools has been selected to partner with the school for the new BYOD – Bring Your Own Device program. Staples School Tools, and the selected items, have been approved by the school principal(s) and SD34 technology specialists.

The value of having the right partnership to deliver high quality products and customer service is important to the school and the district. We are proud to have been chosen to provide the total solution to you.

The Staples School Tools BYOD solution offers;

- 2 premium hardware choices, both designed specifically for Educational application;
  - Lenovo N21
  - Dell 11
- Staples ECP program offering replacement guarantees for all defective units, including units accidentally damaged
- Competitive pricing and exclusive SD34 pricing
- Several kit options to offer choices to all families
- Hardware tutorials for students and parents
- Purchase in store
- Available financing **6 months no interest no payments or 12 months equal payments**
- Airmiles

At this time, we strongly recommend that you come to our Abbotsford Staples location to allow us to give you personal service from our highly trained associates.
